

## Family Talk Time – Week of February 19-25, 2023

### Memory Verse

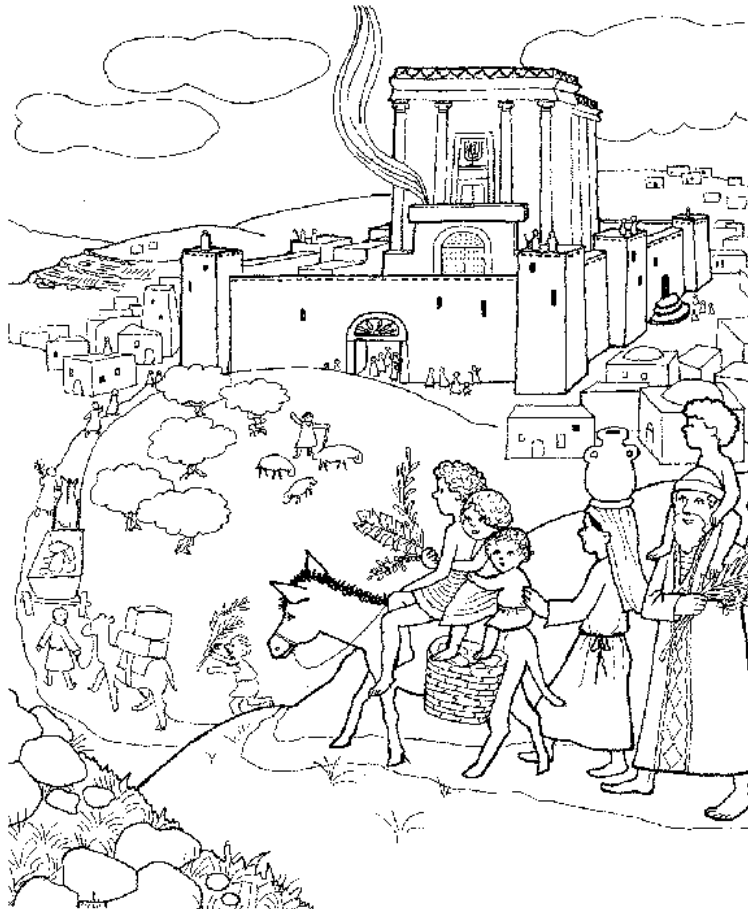

“Remind them to be subject to rulers, to authorities, to be obedient, to be ready unto every good work.” – Titus 3:1

### Family Talk Time

When Jesus was twelve years old, even though He could talk with the Jewish teachers in the temple, He was still obedient to His parents. He kept Himself under their authority and their control (read Luke 2:40-52). Jesus set a good pattern for us in obeying our parents. When do you have to obey your parents? Why do you have to obey your parents?

During Jesus’s time, Jewish people traveled from all over to go to Jerusalem for the Feast of Passover.
